

Welcome to Wheaton MyChart*

For patients of our physician offices, MyChart is an online tool that gives you direct access to your personal health information. Your lab results, physician appointment information, medications, health history including immunizations, and more are all available in a secure online environment.

MyChart also makes it more convenient to communicate with your doctor's office. Renew prescriptions, send messages, and request or cancel appointments – all online.

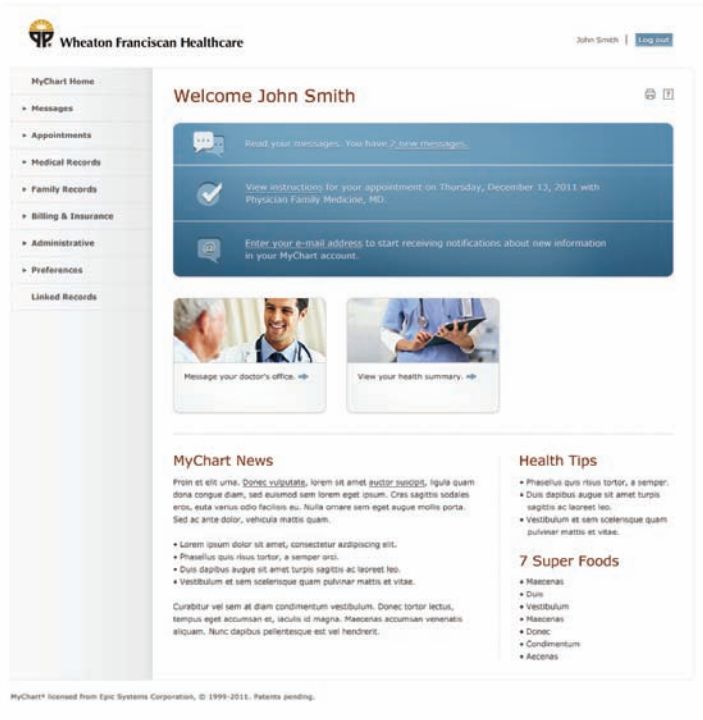

Talk to your doctor's office to learn more about Wheaton MyChart.

Mission

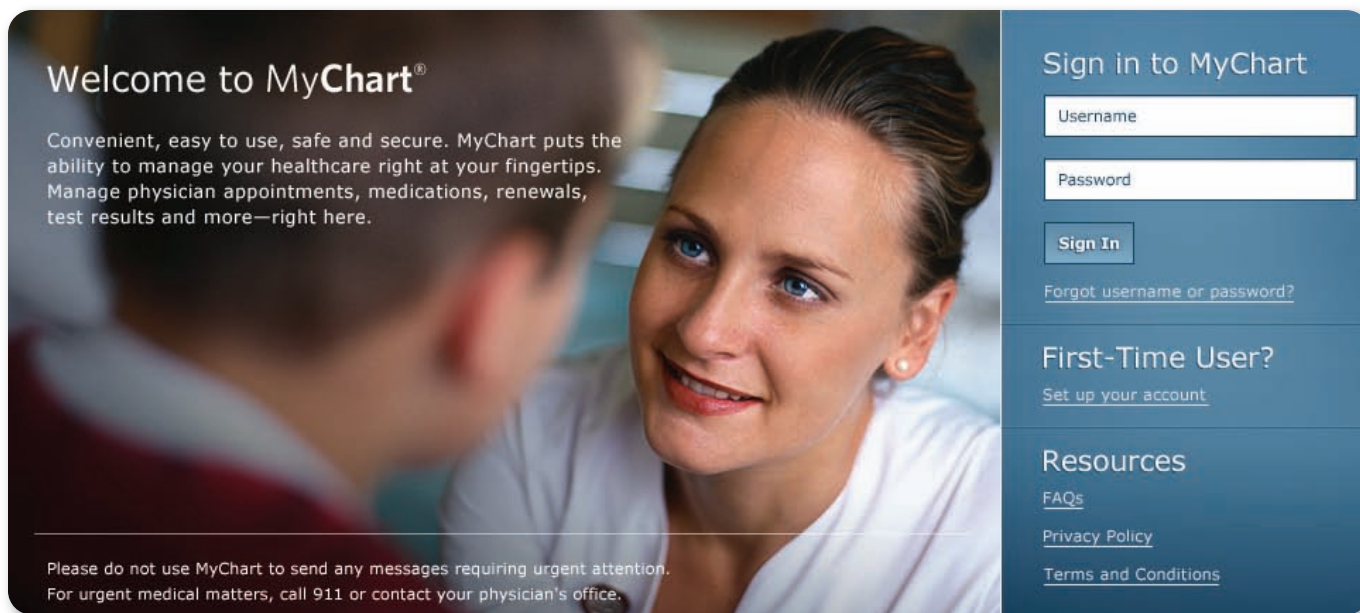

Wheaton Franciscan Healthcare is committed to living out the healing ministry of the Judeo-Christian tradition by providing exceptional and compassionate health care services that promote the dignity and well being of the people we serve.

Wheaton MyChart®

Your physician office medical record available anytime, anywhere – online

Wheaton MyChart at a glance

With Wheaton MyChart, you can:

- Request medical advice from your physician's office online through a safe and secure network. We will respond during regular business hours.
- Request or cancel appointments online.
- Request prescription renewal at your convenience.
- Send messages to your doctor's office online at any hour, any day.
- Update forms for monitoring blood pressure or glucose and share with your health care provider.

Your health information at your fingertips

As a physician office patient, you can:

- **View your medical information online**
 - Receive your results online for lab tests, imaging, and other services.
 - View and update your medications, immunizations, allergies, medical history, and family history.

- Review diagnosis or health issues discussed during your office visit.
- Access directions on preparing for lab tests or other services.
- See instructions for follow-up care.
- Get prevention and wellness recommendations.
- **Stay in touch with your physician**
 - Communicating with your physician is as simple as sending an e-mail - but even more secure.
 - Request renewals of your medications online.
- **Manage your appointments**
 - Request your next appointment online.
 - View details of your past and upcoming appointments.
- **Access your family's records**
 - Adult guardians may access the records of children up to age 11 or other family members who have granted legal rights to manage their health care. Their records

can be linked to yours for convenient access to appointments, immunization records, growth charts, and more.

- Please note that access to MyChart is not available for patients aged 12-18 or their parents.

Security: Your access is safe and secure, giving you peace of mind

Your information is safe from unauthorized access because Wheaton MyChart is password-protected and delivered via an encrypted connection.
